HOMES FOR THE WAY YOU LIVE

Our desire to live and work close to the countryside has never been stronger as we cherish that early morning walk or run, cycling to the shops and walking the children to school. The charming riverside village of Wickham is surrounded by beautiful countryside and boasts all the amenities you could want.

Make the most of your precious leisure time in the medieval square, one of the largest in the country. Here, Georgian houses and 15th century cottages are situated alongside attractive independent shops, boutiques, tea rooms and coffee shops. For your weekly shop, walk to the Co-op store or take a short drive to Waitrose.

There is an exciting range of traditional pubs and tempting restaurants when you want a meal out or a quiet drink with family or friends. Tuck into a satisfying breakfast, light lunch or hearty dinner, or socialise over a cocktail or a pint of real ale. For more choice, head to the nearby market town of Fareham with its restaurants, shops and lively entertainment scene.

Wickham Community Centre is the village hub, hosting clubs and classes covering everything from dog training and martial arts to Pilates and dance. Even on a trip to the Post Office you'll be sure to stop for a chat, which is a testament to the friendly nature of this welcoming community. There is a pharmacy, doctor's surgery, butchers and bakery. When the children want to let off steam, there is a well-equipped play area, recreation ground and skatepark.

At the historic Chesapeake Mill you can browse a treasure trove of antiques, as well as traditional and vintage accessories. St Nicholas' Church, which dates back to the 11th century, is one of two churches.

The backdrop to your life

We create the home, you create the moments.
We know that whilst each new home is given careful consideration by our architects and designers, it is you, your family and friends who will bring each room to life. A Bewley home gives you the peace of mind that allows you to focus on the more important things, like creating those everlasting personal memories.

THE BEWLEY DIFFERENCE

Since 1991, Bewley Homes has been creating stunning developments which in turn form exciting new communities. Each street scene, open space and play area has been designed to open up the possibility of lifelong friendships with neighbours and give families an environment in which they can relax and thrive. We think carefully about each location and how our homes will settle into the surrounding area.

As a Bewley customer, we know that personal touches are very important to you. Our specifications are designed with you in mind, but there is also the opportunity to add some extra finishing touches should you wish. Subject to the stage of construction, you can choose from our range of kitchens and tiling or to add additional extras from our Bewley Selections range of fixtures and fittings.

We are proud of our reputation; each customer is at the very heart of our business and we appreciate the purchase of a new home is not taken lightly. By the quality of our homebuilding and the level of before and after service, we hope each relationship will continue for many years to come. We are proud to know that customers and their families decide to return to, or recommend, Bewley Homes as their first choice for a new home.

Places for great moments

Bewley has combined contemporary design with the latest technology across the range of 72 homes at Bishop's Gardens.

The collection of 2, 3 and 4 bedroom beautifully crafted homes retain more traditional elevational treatments to provide an attractive street scene that will form the cornerstone of the development.

Bishop's Gardens is your perfect blend of indoor and outdoor living. Inside your home, every space has been thoughtfully planned and provides a blank canvas on which you can bring each room to life – something not easily found in a second-hand home.

Outside your home, the low maintenance gardens allow you to take advantage of those sunny summer evenings and offer an environment for younger children to explore. The communal equipped play area is a perfect extra play space.

There is also a ten-year warranty* and energy-efficient building techniques which add to the overall appeal of a brand new Bewley home.

Discover your perfect work-life balance

The great outdoors awaits at Bishop's Gardens, surrounded by glorious Hampshire countryside in the lovely valley of the River Meon. Living close to nature is priceless and you'll have the South Downs National Park minutes away when you want to exercise, energise and take in some fresh air. In the heart of the village is Wickham Water Meadows – eight acres of tranquil open space for that family riverside stroll or early morning dog walk.

The many charms of village life are complemented by living within easy reach of vibrant cities and the South Coast, with London just an hour and a half away.

Created for that sense of arrival

Computer generated image of Bishop's Gardens is indicative only.

At Bewley Homes we have always prided ourselves on attention to detail. The elevations to each new home have been designed to create an engaging street scene and a true sense of arrival.

By using a variety of brick colours and treatments, and adding feature details to main elevations, our architects are able to ensure that character is built in from the outset. By achieving this, a new Bewley home can offer the very best of both worlds: the latest in building design combined with features previously only associated with traditional properties.

Our customers tell us that having considered a second hand home against new, they have been able to satisfy their desire for flexible accommodation and well planned space. They also enjoy all the exterior features they had wished for, but had not expected to find on a brand new development.

From taking the keys to unpacking that last box, there is truly something very special about creating your own unique style throughout a brand new Bewley home.
