Purchase a share of this apartment with Aster Homes under Part Buy Part Rent, starting at £115,000 for a 50% share and rent of £324.24, subject to qualification. This stylish modern apartment on the second floor of a building of only six units is surprisingly spacious and comes with a private balcony and residents parking. The wow factor within this apartment is the incredible open-plan living space. A spacious kitchen/dining/sitting room is the perfect social space with large windows allowing the sun to shine through. Hard flooring signifies the kitchen area where a range of floor and wall units provide storage and a fitted cooker and hob with space for further white goods. The kitchen area has more than enough space for a large dining table and chairs and benefits from patio doors leading to a south and west facing dual-aspect balcony with views over Le Marechal Green. Two large double bedrooms make this apartment very versatile and open to a range of buyers. Both large double bedrooms are flooded with light from the large windows and share the family bathroom with a shower fitted over the bath. In addition to the large built-in double wardrobe from the main bedroom is a large cupboard in the hallway which provides plenty of storage. Being modern and in an immaculate condition throughout this is the perfect first time buy for someone looking for an easy move and the spacious rooms on offer would allow this to also be a great downsize move.
