## SITUATION

Netley is a village with a rich history and natural beauty. Its landmarks, Netley Abbey and Royal Victoria Country Park, are connected by the UK's longest village shoreline. Netley Abbey's romantic ruins have inspired generations of poets, painters, and authors. The former Royal Victoria Military Hospital brought traders, shops, inns, and housing to the village. Now a popular recreational destination for families, military history enthusiasts, and nature lovers. The area also offers plenty of sailing and watersports clubs, with the River Hamble and the Isle of Wight nearby - you'll find the world renowned Cowes Week every August.
